Title: Identifying God's Dream for You and Your Communities

Council Member: Please discuss each of these two questions. Spend approximately 30 minutes on each question. Make notes under each question for future discussions with your Region.

1. Discuss your vocation (to the Miraculous Medal Association) as a gift from God. In this vocation, what are some of the gifts and talents that God gave you to live out this vocation.

2. What is one memory of when you made an impact on another person through the gift of, use of, discussion of, or celebration of the Miraculous Medal Association?
